THIS IS UNEVALUATED INFORMATION

1. The total labor force of the 3 Maj shipyard comprises about 1,000 technicians and administrative people, and approximately 8,000 laborers. The technical staff includes several Italians and Germans.
2. The following ships are undergoing repairs:
 - a. The KOSARA.
 - b. Two naval vessels of an unspecified type, tied up at the Molo Lungo pier, on which repair work will begin shortly.
 - c. Two merchant ships, also tied up at the Molo Lungo pier; repair work has not been started because of the lack of material.
3. The following units are under construction:
 - a. Approximately ten steel ships similar to the ZAGREB, SKOPLJE, and LJUBLJANA types. Construction is well advanced but the engines have not been fitted. These ships are due for completion within 1950.
4. A school, with an attendance of approximately 500 students, is a part of the shipyard. The curriculum includes courses for specialist workers.
